

## *Eight to receive service awards*

Eight Tek employees in the U.S. will receive their service awards during February, with four more joining the "20-Year Club" and another four completing their first 10 years with the company.

The four 20-year Tekes, including three from Manufacturing and one from IDD, will join 181 other employees who have completed two decades at Tek since the company celebrated its 20th birthday in 1966.

In the 10-year lineup for February is a cross-section of Beaverton Tekes from Cables to Facilities.

### **20-YEAR TEKS**

February 4: **Ronald C. Van Dyke** (IDD). February 8: **Paul Wright** (Photography). February 22: **Verna Strunk** (Production) and **Jane Tomkin** (Transformers).

### **10-YEAR TEKS**

February 2: **Kathleen Baye** (Cables). February 7: **Harlan Nelson** (Facilities). February 24: **Russell Stasel** (Manuals) and **P.G. (Glenn) Sorum** (Portable Product Group).

*PHIL MULLER (Facilities) is guest of honor at a retirement breakfast recently in the Tech Center (50) cafeteria. Phil joined Tek in October, 1959, and served in Maintenance and Maintenance Engineering. Here, Verna Harris (Chemical Staff), wishes him luck in retirement.*
