

## TEN-YEAR EMPLOYEES

Twenty-five employees completed 10 years with Tektronix in March—the same number as in February—to increase the total 10-year Tekns to 87 for the first three months of 1967.

Two field engineers were among the long-time Tekns this month: Ralph Clure of Long Island and Duncan Doane of Pasadena. By Tek areas, Manufacturing led with 16 employees, followed by Engineering with 6, Marketing 2, and Administrative Staff, 1.

Names, dates and departments of March 10-year employees, as compiled by Eunice Degman, Personnel Services secretary and records clerk, are listed below. Also see photo on this page.
