

June 10-year Tekers

Twelve more employees joined the ranks of 10-year Tekers during June, boosting the 1967 monthly total to 122 since January. The June figure was lower than May's 15, but higher than April's 8. The June figure was also lower than January's 37 or February and March's 25.

Engineering had four 10-year employees, with three each from CRT and Field Offices. One was from Metals and another from Assembly Plant 2. The June 10-year Tekers are:

Kay Conklin (CRT Finishing), **Otto Rothfuss** (Rockville Field Office), **Ralph Show** (Instrument Engineering Staff), **Orville Withey** (CRT Tool & Die, all June 3; **Ted Anderson** (Denver Field Office), **Randal Eichman** (PE Custom Mods), **Jim Ewart** (CRT Design Engineering), **Phyllis Poe** (DDD Services), **Connie Wilson** (DDD CRT Engineering), all June 10.

Virginia O'Dell (Metals Q.A.), **William Ward** (Palo Alto Region Office), both June 24; and **Burton Batchelder** (Assembly Plant 2), June 27.

Six of the 12 employees who joined the ranks of 10-year Tekers in June are (from left) Phyllis Poe, Kay Conklin, Connie Wilson, Randal Eichman, Burton Batchelder and Jim Ewart.
