

July 10-year Tekes

The number of 10-year Tek employees in July hit a summer slump with only seven persons receiving service awards, lowest for this year. April was previously low month with eight, with January remaining top month with 37. Ten-year Tekes for 1967 now total 129.

July's service award winners represented all parts of the company, including Retirement Trust, Engineering, Product Manufacturing and Component Manufacturing. Names, departments and dates compiled by Eunice Degman (Personnel Benefits) are as follows:

Max Messmer (Engineering Model Shop), July 8; **Phyllis Campbell** (Operations and Maintenance), July 14; **Ruth Pasley** (Retirement Trust), July 15; **Jessie Bollinger** (Storage CRT), July 16; **Rita Beach** (Plant 1 QC), July 18; and **Dwain Hall** (Electrochem) and **Dave Meier** (Plant 3 Assembly Support manager), both July 29.
