

December service awards announced

December service awards will be presented to 40 Tek employees in the U.S., including 30 with 10 years and 10 with 20 years. There were no 25 or 30-year Tek's this month.

Several U.S. field offices were represented in the 10-year service list, including Rockville (MD), Dallas (TX), and Boston (MA).

Linda Trapp (Employee Benefits) compiled the following extensive list of Tek anniversaries for December 1979:

10 Years

Mary Foti (Conventional CRT Production), Richard Magee (TV Products Marketing), Mae Mendoza (Wire Prep), Isabelle Oederkirk (Wire Prep), Barbara Mobley (STS Engineering), Mary Lang (IDS Marketing), Brandt Steen (Technical Services), Anita Stoller (Customer Distribution), Evelyn Tolson (Rockville Field Office), David Schiffer (Mechanical Components), Phyllis Templeton (IC Manufacturing), Delores Heyerdahl (Manufacturing Engineering), Gail Wallender (Switch Production), Millie Thomas (Cables), Walter Ventgen (7000 Series).

Thomas Anderson (Dallas Field Office), Betty Hamilton (Digital Probes), William Johnston (International Operations), Shirley Spence (SPECS Documentation), Beverly Lafferty (Etched Circuits Standards), Lois Sanderson (Shipping), Harold Fries (Storage Funnel Finishing), Pavel Vankat (Engineering), Kevin Considine (Applied Research), Diane Davis (475 Test), Geroge Yingling (Rockville Field Office),
