Two employees will join 20-year club in August

Two more employees joined Tek's 20-year "club" last week, according to Pat Luce (Employee Benefits). The newest additions increased the 20-year "memberships" to 141 persons.

They are **Henry Bahrs** (Industrial Support), August 4; and **Velma Leeto** (CRT Oscilloscope Cathodes), August 6. Both received their 20-year service awards in special ceremonies.

GUERNSEY 10-YEAR Teks for June included (from left) Frank Vedier, Stock/ and Brian Ettesse, Cabinetizing. Presentation of the service awards was made by Al Graham, Operations manager. (Information: Doris Molony, Tek Guernsey.)

WAYNE CHRISTENSEN (Model Shop) received handshake from Manager Slim Sorenson, right; and President Earl Wantland, next to Slim, during his 20-year anniversary celebration in July. His fellow employees presented him with a 545 accessory box—a product he helped develop—complete with a gold plaque to commemorate the occasion.
