

WHEN IRMA KAPLICK (left) recently celebrated her 10th anniversary on the job, the Customer Material Support Assembly Group of 12 women had compiled a total of 182 years at Tek. Besides Irma, they are Vera Sigler, group manager, Lucille Powers, Violet Mills, Alice Ploghoft, Wanda Weisenbach, Maxine Edgerton, Jean Cutright and Ruth Johnson. On vacation or leave when the photo was taken were Mary Jane Fanning, Orpha Dalley and Jean Maynard.

Employees average 15 years at Tek

Let's see, 12 women employees with a total of 182 years at Tek averages out to a little more than 15 years apiece.

That's the mark made official

by the Customer Material Support Assembly Group on September 5 when Irma Kaplick celebrated her 10th anniversary.

Vera Sigler, Group Manager, with 18 years to her credit, said the group was started 16 years ago in the Sunset building. It is now located in Warehouse 02. Six members have been in the group 10 years or more.

In addition to Vera and Irma, members of the group, and their years at Tek, are Imogene Cutright, 13; Orpha Dailey, 17; Louise M. Edgerton, 15; Mary Jane Fanning, 21; Ruth E. Johnson, 14; Norma Jean Maynard, 14; Violet Mills, 17; Alice Ploghoft, 11; Lucille Powers, 17; and Wanda Weisenbach, 15.

Function of the group is to make mod kits and replacement parts for the field.
