Equipment Condition

Instruments are used and have been checked out to be in proper working condition. Borrower agrees to return the instruments in at least the same condition. If the instruments or accessories are damaged while in their possession, the borrower will be responsible for the cost of repair or replacement. If the instruments or accessories are lost while in the borrower’s possession, the borrower is responsible for the fair market value of the instruments.

Use of Instruments

Borrower acknowledges that use of these instruments creates some risk of personal injury to the borrower or third parties, as well as a risk of damage to property, and borrower expressly assumes that risk. Borrower therefore agrees to use the instruments safely and only in the manner for which they are intended to be used. vintageTEK is not responsible for any personal injury or property damage resulting from borrower’s misuse, unsafe use, reckless use, or unattended use of the instruments. This agreement will be governed by and construed in accordance with the laws of the State of Oregon.

If either party fails to exercise or delays exercising any of its rights or remedies under this agreement, that party retains the right to enforce that term or provision at a later time. If any court determines that any provision of this agreement is invalid or unenforceable, any invalidity or unenforceability will affect only that provision and will not make any other provision of this agreement invalid or unenforceable and shall be modified, amended, or limited only to the extent necessary to render it valid and enforceable.
