95 TekS celebrate July anniversaries

July anniversaries were celebrated by 95 Tek employees across the USA ranging from 10 to 25 years (there were no 30- or 35-year TekS this month). Sixteen employees observed their 25th anniversary, 20 completed 20 years, and 59 reached 10 years with the company.

Those completing 20 and 25 years at Tek had lunch during July with president Earl Wantland in the Tech Center (50) executive dining room, as Earl presented a variety of service awards (tie bars, stick pins, necklaces, bracelets, knives) to the recipients.
