135 Tekes mark anniversaries

October anniversaries were celebrated by 135 Tek employees across the USA, by far the largest monthly total for 1986. This included 86 ten-year employees, almost three times as many as the previous month.

In addition, 35 observed 20 years at Tek, 6 marked 25 years, 7 completed 30 years and 1 (Burton Jones) reached 35 years.

These numbers compare with September's total of 85 anniversaries, only 38 ten-year employees, and no 35-year Tekes.

The October anniversary list, compiled by Linda Trapp (Employee Benefits), is as follows:
