## 122 receive service awards in March

March service awards for US employees included three 30-year Tekes—Ruth Haugsten, Mike Metcalf and Harry Eklof—who joined the company back in 1956.

In addition 25 Tekes observed their 25th anniversary, 40 completed 20 years and 54 reached 10 years for a total of 122 service awards in the third month of the new year—30 more than in February.

Those completing 20, 25 and 30 years with the company had lunch with President Earl Wantland in the Tech Center (50) dining room, with Earl presenting a variety of service awards from tie bars and stick pins to necklaces and bracelets.
