Guernsey presents awards

Guernsey Tek's who completed 10 and 20 years of service with the company during 1983 recently gathered for their photo sessions.

They included employees from Tek Guernsey Limited, our manufacturing subsidiary with plants at La Villiaze and Victoria Ave., and Tek Limited, our marketing subsidiary.

Total 10-year Tek's in Guernsey now number 201 and 20-year Tek's, 94. Twenty-year Tek's were entertained at lunch by operations managers from both Tek Guernsey Limited and Tek Limited.
