Thirty-four employees marked their tenth year with the company during March, making it the largest monthly total of 10-year Tekes to date.

Previous record total was in January when 24 persons received their 10-year service awards. February also had a large total with 22 employees marking their tenth year at Tek.

Receiving 10-year awards during the first week of March were:

Joe Demke (Instrument Engineering), **Eva Goff** (Component Design), **Robin Hoag** (Van Nuys Field Office), **Warren Shepard** (Orlando Field Office), **Edith Simonton** (Metal Fabrication) and **Dorothy Yoss** (CRT), all March 1;

Eleen Cagle (Plant 1 Stock), March 2; **Bob Hamrick** (Metal Fabrication), **Ruth**

Haugsten (Vice-President, Operations secretary), **Max Hiatt** (CRT), **Bud Ward** (Industrial Engineering) and **Gene Woodworth** (Plant 3 Test), all March 5.

Those receiving awards from March 6 to 20 will be featured in next Friday's Tek-week.
