

# Service awards presented to 24 September 10-year Tekes

**SEPTEMBER 10-YEAR** Tekes met recently in front of the Technical Center. They are, from left to right: Front row—Melva Craven, Elsie Blatter and Opal Barth; Second row—Charles Rhodes, Ray Fornshell, Winfield (Windy) Thorne, Gil Gilbertson and Cliff Wilson; Third row—Bernard Menard, Alan Jerrick, Leo

Heineck, Wally Blackburn, Dick Forsyth and Glenn Barth. Not shown are Mary Cramer, Bill Swift, Byron Flint, Jeanette Herb, Eldon Webster, Ross Gifford, Ray Hein, Dit Hooker, May Hallowell and Edgil Panian. Photo by Larry Jackson (Photography). Twenty-four Tekes received service awards last month.

Ten-year employees reached 24 for September, one less than August's 25, to bring the number of 10-year Tekes to 248 for 1966.

September 10, 17 and 24 were popular dates among last month's long-time Tekes with four receiving service awards on September 24.

Names, dates and departments of September's 10-year Tekes are as follows:

Ray Fornshell (Mail Room), September 3; Charles Rhodes (TV & Conventional Scopes project manager), September 4; Elsie Blatter (Plant 3 QC), Mary Cramer (Plant 1 Assembly) and Bill Swift (Cost Services manager), all September 5; Wally Blackburn (PE Industrial Support manager), Byron Flint (Metal Fabrication), Jeanette Herb (Materials Management QA) and Eldon Webster (CRT Gun Fab group manager), all September 10.

Melva Craven (Transformers & Coils) and Dick Forsyth (Field Mod Design), both September 12; Ross Gifford (Mechanical Instrument Engineering), Gil Gilbertson (PE Custom Mods), Ray Hein

(Metal Fabrication) and Dit Hooker (Capacitors), all September 17.

Glenn Barth (Plant 1 Test/Final), May Hallowell (M&P Plastics QC), Leo Heineck (IDD Electrical), Alan Jerrick (Advertising), Bernard Menard (Electrochemical), Winfield (Windy) Thorne (Metal Fabrication), and Cliff Wilson (Plant 1 Assembly group manager), all September 24; Edgil Panian (Plastics Molding), September 27; and Opal Barth (Plant 1 Assembly), September 28.
