

ACADEMY OF ELECTRICAL ENGINEERING

University of Missouri-Rolla

April 28, 1983

Dear Academy Members:

Please look over the attached biographical sketch and update or make corrections as necessary. In addition, attached is your address and telephone number as it is currently listed in the Academy of Electrical Engineering telephone directory; please update as needed.

After both of these items are updated, I would appreciate your mailing them to me at the address indicated below. Please keep in mind that I cannot complete the Academy directory until all entries are received, so your immediate attention to these items would be very much appreciated.

Sincerely,

Nancy Bond
