5116	84 to 87	Limited-Color, 2 MHz Oscilloscope																					
1241	86 to 90	Limited-Color Logic Analyzer																					
2782	90 to 95	33GHz Spectrum Analyzer, Limited Color Option																					
2784	93 to 96	40GHz Spectrum Analyzer, Limited Color Option																					
TFP2	91 to 95	FiberMaster™, Optical TDR, Limited Color																					
TFP2A	96 to 00	FiberMaster™, Optical TDR, Limited Color																					
TLS216	94 to 01	16 Channel Logic scope, Full Color																					
TDS524A	94-96	500MHz, 4 channel, Full color digital storage scope																					
TDS544A	94	500MHz, 4 channel, Full color digital storage scope																					
TDS644A	94-96	500MHz, 4 channel, Full color digital storage scope																					
TDS644B	97-98	" "																					
TDS654C	00-01	500MHz, 4 channel, Full color digital storage scope																					
TDS684A	95	1GHz, 4 channel, Full color digital storage scope																					
TDS684B	96-99	" "																					
TDS684C	00-02	" "																					
TDS694C	00-03	3GHz, 4 channel, Full color digital storage scope																					
TDS714L	2001	500MHz, 4 channel, Full color digital storage scope																					
TDS724C	97	500MHz, 2+2 channel, Full color digital storage scope																					
TDS724D	98-02	500MHz, 2+2 channel, Full color digital storage scope																					
TDS744A	95-96	500MHz, 4 channel, Full color digital storage scope																					
TDS754C	97	500MHz, 4 channel, Full color digital storage scope																					
TDS754D	98-02	500MHz, 4 channel, Full color digital storage scope																					
TDS784A	95-96	1GHz, 4 channel, Full color digital phosphor scope																					
TDS784C	97	" "																					
TDS784D	98-02	" "																					
TDS794D	98-02	2GHz, 4 channel, Full color digital phosphor scope																					
Monitors																							
609	90	6.2" Limited-color monitor																					
608 Color	91	6.2" Limited-color monitor																					
Nu900M	92 to 94	9" Full Color Monitor																					

SUMMARY

All TDS 'scopes employ the same display module, 640-0077-xx, "TDS Family Full Color" or "Columbia Full Color" Display Modules. Products with a single shutter are designated as "Limited Color"; Products with two shutters are "Full Color".
