SPOT NEWS RELEASES

Issue No. 217  
December 6, 1963

Tektronix' application for listing on the New York Stock Exchange was approved yesterday by the exchange's board of governors.

The Pacific Coast Exchange also has accepted our application. Trading in the stock on both exchanges is tentatively scheduled to begin January 10.

Robert G. Fitzgerald  
Vice President, Operations

-----

There will be no profit share advance in your paycheck today.

You'll receive your Period 306 cash profit share advance as part of a half-year profit share check not later than next Friday (December 13).
