Strong Turnout Anticipated in Wilsonville

Here is the celebration site, between Buildings 60/61 and 63. Take note of the various display tents, performance stage, information booth and first-aid area.

Some Questions & Answers On the Oregon Employees' 50th Anniversary Celebration

Response for the Oregon employees' 50th Anniversary Celebration in Wilsonville on August 10 indicates that its theme of "A Night of 8,000 Stars" won't be far off. Anticipated turnout is strong from throughout Beaverton and Wilsonville. In preparation, here are a number of frequently asked questions and their answers. Please stay tuned to Currents and to TekWeb for developing news regarding the celebration.

A NIGHT OF 8,000 STARS
Tektronix 50th Anniversary Celebration
Saturday, August 10, 1996

PROGRAM

6:00 p.m. Event begins

- Arrive at the Wilsonville campus between 6:00-7:00 p.m., depending on how long you would like to spend at this unstructured portion of the program.
- Tek Experience. Visit the Division tents and learn more about how each contributes to the success of Tektronix. This is a great opportunity to share your "Tek Experience" with your guest and learn about other divisions.
- Stop by the History Tent and discover more about the company's past achievements.
- Take time to eat, drink and enjoy an abundance of food and beverages.
- Mingle! This is your opportunity to visit with other employees and their guests.

7:45-8:45 p.m. Star Search performances

- This is the employee talent portion of the program you won't want to miss. Watch the best talent at Tektronix perform a variety of acts.

8:45-9:30 p.m. Mainstage program

- Tektronix presentation. A hot, new comedian will host this segment featuring Tektronix' senior management team.
- Founders' moment. A tribute to the founders of Tektronix.

9:30-10:30 p.m. Smokey Robinson

- The legendary Smokey Robinson and his 25-piece band perform in a special, private concert for Tektronix employees and their guests.

10:30-11:00 p.m. Star gazing

- Coffee and dessert are served under a canopy of stars. Telescopes will be available for star gazing.

GENERAL GUIDELINES

- **DIRECTIONS--** Please refer to the map on the back of this form for directions to Wilsonville. There are two campus entrances to help reduce traffic congestion.
- **PARKING--** Attendants will guide you to the parking areas. You will be directed to walk through two entrances marked with flags.
- **CAR POOL--** Please car pool, it will help everyone get in and out quickly.
- **TICKET--** You must have your ticket to enter the event.
- **WHAT TO BRING--** This is an outdoor event. Bring a blanket to sit on. Still cameras and binoculars are allowed, however, you may not take pictures during Smokey Robinson's performance. Bring your Tektronix employee identification badge.
- **WHAT NOT TO BRING--** Please don't bring lawn or beach chairs of any kind; we want everyone to enjoy the event without blocking views. No video cameras are allowed. Also, please leave behind Frisbees and other outdoor games. No pets.
- **SPECIAL NEEDS--** A special needs area will be designated for the disabled. Please contact the Anniversary Committee if you require assistance. Reach us via email at Banyan: tek-50th@comm@tek or Internet: tek-50th@tek.com. Our interplant mail stop is 63-814 or fax us at 685-3078.
- **SMOKING--** If you smoke, please remember August is a dry month, and the grass and surrounding trees present a fire hazard. Be considerate of those around you.
- **DESIGNATED DRIVER--** Beer and wine will be available to employees and their guests age 21 and older. Please be responsible and remember to designate a driver, if needed. Soft drinks, water, and coffee will also be served.

GET READY FOR MOTOWN'S SMOKEY!

Tektronix is proud to welcome legendary Motown singer/songwriter Smokey Robinson as the star musical guest for "A Night of 8,000 Stars."

As one of the primary forces behind the Motown Sound, Smokey and his group, The Miracles, led the charts with such classic tracks as "I Second that Emotion," "Tears of a Clown," and "Shop Around." His impressive song writing credits include The Temptations' "Get Ready," and "My Girl," and Marvin Gaye's "I'll be Doggone." As a solo artist, he has continued to score with such hits as "Cruisin," "Being With You," "Two Heartbeats," and "Just to See Her." In 1987, he was inducted into the Rock 'n' Roll Hall of Fame.

Smokey will perform his biggest hits, as well as a medley of The Temptations' songs he helped make famous. Touring with an exciting 22-member band, this private concert promises to be a highlight of the Oregon event on August 10.

CO-STARRING COMEDIAN PAT HAZELL

Our emcee for a "Night of 8,000 Stars" is hot new comedian Pat Hazell. After a successful stint warming up audiences for "Seinfeld," Hazell is on the verge of becoming a star in his own right.

Formerly a magician on the Los Angeles circuit, Hazell made the transition to stand-up comedy at the urging of fellow comics and professional peers in the mid-80s. His lively style of finding the amusing in the mundane made him the perfect host for the "Seinfeld" audiences. His first play, "Bunk Bed," is being developed as a sitcom for NBC, with Hazell starring. Watch for it as a mid-season replacement next February.

Catch this star as he rises to the top.
