

Government Sales and Marketing Group (Measurement Products)

Replaced As

Government/Aerospace Sales and Marketing Group (Federal Systems Division)

(Revision 17)

This document is to identify those who administratively actually reported to the foregoing organizations at some point and the facility/office they were in. In some cases, a name may be listed more than once, which indicates a change in position while in the organization. This document is not meant to depict whom reported to whom. An item in red or with a ? means some aspect of accuracy is in question. Corrections, additions and suggestions are welcome! RB means Replaced By, (D) is Deceased.

The first Manager of Tek government efforts was Duane Bowans, the last was Al Herman.
